**We now offer HERO BX Branded Bioheat®
as an alternative to traditional heating oil.**

D.F. Richard Energy began using biodiesel in their own fleet after educating themselves about the benefits of the product. "We've realized much less wear and tear on our trucks...When we tell our customers that we use biodiesel in our own trucks, it gives them added confidence to use it in their homes."

HERO BX™ has been way out in front of the Bioheat® initiative, and with our partnership, we provide a high-quality, domestically produced product to our customers.

services

- Propane Gas
- Bioheat® Oils
- Complete Heating and Cooling
- Energy Conservation Products and Services
- Automatic Delivery/Service Plans
- Tune-Ups & Gas Checks

D.F. RICHARD

Bioheat® is a blend of low-sulfur diesel and biodiesel, a clean burning fuel made from renewable resources.

No modification to your existing heating system is necessary—you can start using Bioheat® for your home heating needs today.
